

# French Summer Camp 2012 At Ecole Napoléon French Immersion School

The **Summer Camp** at École Napoleon is the ideal way for your children to fully immerse in the French language, and to improve their abilities through daily lessons and a variety of motivating activities 100% in French. With 2h learning French classes every day and French indoor and outdoor learning activities for the rest of the day, sports or excursions in the afternoon, our camps provide a fantastic teaching/learning method which blends fun activities and relaxing moments with real French instructors.

## - Location

We are located on 55 Danforth Avenue, facing the Brodview's Subway station and 2 minutes driving distance from the Don Valley Parkway.

We are also at the entrance of the **Riverdale Park** who is divided in half by the Don River. The park's east side, accessed by Broadview Avenue, contains two baseball diamonds, three playing fields, swimming pool, ... and 10 minutes walking to the Riverdale farm.

## - Age and level

Our Summer camp is designed for non-native French-speakers and for children who are in French Immersion during the school year. Our camp is designed for children **aged 5-15 years** and for all French levels.

## - Academic Program

The students have French classes every day for 2 hours.

The kids are placed in the appropriate class by level and age.

Courses are given either in the morning from 9 :30 to 11 :30 Am or in the afternoon from 2 to 4 Pm. (10 hrs per week total).

The number of students per class is kept to a maximum of 9, and children are thus provided with ideal learning conditions. Teachers participate actively in the classes and monitor the work of individual students very closely, provide them with special assistance, and help them with study methods and organization. A detailed scholastic report is sent to the family at the end of the session

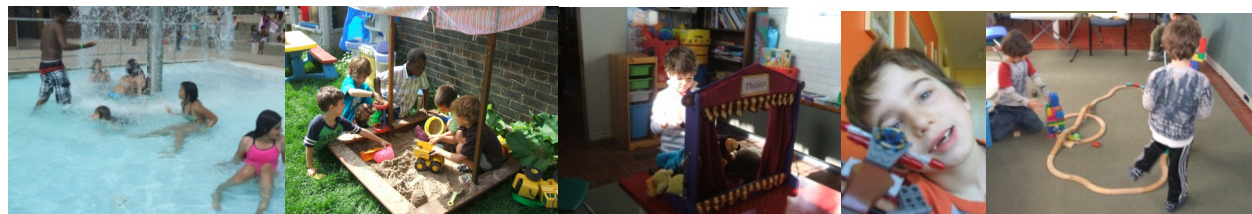

- **Sports, Relaxation, and Activities:**
